OUTCOME

PARTICIPANTS MEMBER REVIEWS

COMPANIES	COMMENTS
BARSAN	The time could be longer. We think that the company information of participating country invitations should be more descriptive. We think that the companies that are expected to invest in Turkey will benefit from this process. We can rejoin if the member states of the European Union come.
YAVUZLAR	-
TEK YAPI	-
YAŞAR KALIP	-
PENSHOP	The time could be longer.
TAVALABS	We will send the product
SS.72 NOLU TAŞ. KOOP.	-
EMEK MAKİNA	-
SARAY ALÜMİNYUM	Our contact continues
ÖZKÖKLER MOB	It was very successful program and participants
YILTAŞGRUP	Since the participants did not respect the given terms, the interview periods were exceeded. That's why it's confusing. We were invited but we stated that we will not be able to go because of it soon. The 2nd round will come to our visit for the interview.
BİRLİK TRADE	-
BUTAN MAKİNA	-
UZLAR A.Ş.	Some companies did not fit. In time, I think that bilateral negotiations with different countries will be positive.
SARIBAŞLAR	-
